

Subject: A few updates for Chalet Owners
From: Patrick Romzek <promzek@yahoo.com>
Date: 9/13/2017 11:10 AM

Hi everyone:

I have had a few calls today from owners and wanted to clarify a few items for all of you:

- If you get a call from **Dry Zone**, it is because they inspected your unit and have a proposal to remove water. Some owners were concerned this was a scam. We authorized Dry Zone to enter the units with water intrusion and provide the owners estimates for removal. They inspected the units yesterday and have estimates for you. If you did not get a call from Dry Zone or want to contact them directly they can be reached at 239-643-1990.
- The Chalet has power, but most of the Island does not. As I understand, the Chalet, the Marriott and Publix on Collier have power. Most of the rest of the island does not.
- If you plan to drive to Marco soon, beware that Gas is very limited and you may need to show a drivers license with a Marco address or a property tax bill with your address to get on the island.

Let me know if you have any other questions. We will try to keep you all updated as to the evolving conditions at the Chalet.

Thank you

Pat
