Chalet Coronavirus Policy Update

DATE: March 25, 2020

MEMO TO: **ALL CHALET OWNERS AND RENTERS**

FROM: Patrick Romzek, Chalet Board President
Rich Cassata, Chalet Manager

SUBJECT: **Chalet Coronavirus Update**

Chalet Owners:

Yesterday, Florida Governor Ron DeSantis (R) ordered anyone in the state who has traveled to the greater New York City area over the past three weeks to self-isolate. Additionally, Doctor Deborah Birx and the White House Coronavirus task force recommended the same 14-day self-quarantine for anyone who has recently left New York. The number of cases in New York has grown exponentially, and the number of cases in Florida continues to rise.

As a result, **we are asking any Chalet owner or overnight guest who has either been in New York in the last 3 weeks or has been in contact with a person who has tested positive for Coronavirus to self-quarantine for 14-days and only use the Service elevator.** We ask such persons to only leave the Chalet for necessary supplies (e.g. food and medications) and kindly use only the Service entrance and elevator when they leave or enter the building.

These actions are in addition to those outlined to owners on Monday March 16, 2020, Friday March 20th, and Monday March 23rd.

Thanks for your support and vigilance to minimize the risk to our community. If you have any questions feel free to contact Rich, Cathy, or myself.

Be safe and may God bless you all.
